Thank you for considering Permatherm for your expansion needs. We will try to make your experience as pleasant as possible. Please read below so you understand some of our policies and conditions of sale. We look forward to serving your needs.

Pricing is good for 30 days only. After 30 days, call for an updated quotation. A service charge of 3.75% will be assessed on all credit card charges. Permatherm orders are custom made per your specifications, therefore, deposits are required on all orders.

Freight rate includes fuel surcharge and is subject to change without notice. F.O.B. Permatherm plant. Charges are prepaid using a trucking company of Permatherm's choice.

FREIGHT RATES AND TRUCKLOAD QUANTITIES ARE PROVIDED AS AN ESTIMATE ONLY. ADDITIONAL TRUCKS MAY BE REQUIRED DEPENDING ON THE PHASING AND AMOUNT AND TYPE OF PANEL SIZES AND ACCESSORIES THAT ARE REQUIRED. Panel lengths over 50 feet may require a special permit at an additional cost.

Shop drawings and engineering are not included unless otherwise noted. Engineering and shop drawings can be provided for a fee. Purchaser is responsible for providing Permatherm with complete cut list unless shop drawings are requested and approved. Any take off that is figured from a non engineering drawing, figured by Permatherm or an outside party, must be confirmed by the purchaser. Permatherm is not responsible for over or under shipments of product due to wrong take off figures.

Any changes made after the signed work order is received by Permatherm are at the expense of the purchaser.

Standard exterior finish warranty is twenty (20) years for polyesters. Interior paint warranty is not available. Warranty is provided by Axzo Nobel paint systems.
